INSTITUTE OF MANAGEMENT
AURANGABAD

**Establishment and Monitoring of the Internal Quality Assurance Cell
(IQAC) 2017-18**

Introduction

In September 1994, UGC has established an autonomous body called National Assessment and Accreditation Council (NAAC) to monitor standards of the higher educational institutions and for performance evaluation, assessment and accreditation of Universities and Colleges in the Country.

The prime objective of National Assessment and Accreditation Council or National Board of Accreditation is to Assess and Accredite Institutions of higher learning with an objective of helping them to work continuously to improve the quality of education. Higher Education Institutes are also motivated to establish their own internal mechanisms for sustenance assurance and enhancement of the quality culture of education imparted by them. Many Higher Education Institutes have established the Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance activity. Similarly IQAC is being established in MGM Institute of Management to ensure quality in its functioning.

Goals of IQAC

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of MGM Institute of Management.
2. To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Functions of IQAC

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institute
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes
- Dissemination of information on the various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various activities of the institutes, leading to quality improvement
- Acting as a nodal agency of the institutes for coordinating quality-related activities, including adoption and dissemination of good practices
- Development and maintenance of Institutional database through MIS for the purpose of maintaining /enhancing the institutional quality

- Development of Quality Culture in institutes
- Preparation of the Annual Quality Assurance Report (AQAR) of the Institute of Management based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA, AB) in the prescribed format
- Bi-annual development of Quality Radars (QRs) and Ranking of Integral Units of Institute of Management based on the AQAR
