- 15 • After completion of CAP IV students who have been allotted the seat can take admission to the respective college/institute by paying remaining fee. Date: Awaited
- 16 • Admission of Institute level seats and vacant seat against CAP rounds will start after CAP round IV

Freeze: Candidate can select Freeze option if he has been allotted the desired institute and if he doesn't want to change. Once he opts for Freeze, he is not eligible for CAP Round II & III. He may change the option sequence of options after CAP round III. All candidates are (irrespective of their earlier option) eligible for CAP round IV. They can change the institute in CAP round IV.

Float: Candidate can select Float option if he has not been allotted the desired institute. Float means he reserves the seat but can go for betterment; i.e. he is eligible for CAP round II & III. If he has been allotted the desired institute in the next round and he can select that seat and Freeze, the seat which he has reserved earlier will become open for other students.

(Note: There may be very minor changes in the process. Please confirm from competent authority.)
